Healing Salves: 25 Homemade Recipes for Health and Healing In this book you will find a wonderful collection of easy to follow recipes to make your own homemade herbal, healthy healing salves. Many people today are looking for a more natural approach to things from eating more organic food choices to using more natural forms of healing such as herbal salves in the treatment of basic ailments such as skin irritations. Not only will these homemade salves be healthy and natural but they will certainly save you a lot of money compared to buying expensive creams at the shops. Another great part about these salves is that they have no additives or chemicals that are man-made, they are made from natural ingredients. You will feel much better putting these healthy salves on your skin compared to using creams filled with all kinds of chemicals and additives that often come with side effects. There are even many people that have turned making homemade products such as salves into a business. You may want to go this route, perhaps you could sell your homemade salves at your local farmers market. There is certainly more and more demand on natural products in the world today. People are becoming more aware that organic or natural products are by far the healthier choice. Choosing natural products offer you a whole assortment of different benefits. So why not choose natural products to help improve your health, starting by trying out this collection of healthy salve recipes I have for you within the pages of this...
