Indigestion: An Elementary Study of Its Causes and Treatment (Classic Reprint) (Paperback)

By Fernandez Clarke

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Indigestion: An Elementary Study of Its Causes and Treatment It has been ascertained by analysing the excreta of the lungs, kidneys, skin, and bowels, that certain elements are being continually given off from the body in quantities varying according to the occupation of the individual, the climate in which he lives, and the organ by which they are eliminated. Were these elements not replaced in such quantities as those lost, the body's weight and vitality would suffer in consequence, and it is therefore by the use of various foodstuffs containing carbon, hydrogen, oxygen, nitrogen, and other elements, that the body's equilibrium is maintained.
