MADE is Book 1 of an Epic, Crime Thriller;Trilogy. It s about Andy Cooper; a military vet, turned hustler, turned Gangster, turned Crime Boss. His marriage is on the rocks; fresh out of the military, AC finds himself broke and lost with a Wife and three kids to feed. Trapped in Sin City and working any job he can get from day to day, to make ends meet. Hating the state of mind he s in right now, a really fucked up way to be! Gone are the days when Uncle Sam paid for housing, day care and groceries. Now, all own his own again, with no idea of where life is going to take him. One thing for sure, Andy AC Cooper no longer wanted to wear that Army uniform another day. Coop loved every minute of it and would not trade it for the world but the next chapter of his life was about to start. It just so happen that he landed in Las Vegas, one of the hardest cities to make it in, it is truly the land of the Hustler. What the outsiders don t know is that beneath the bright neon lights, the delicious buffets and luxurious casino s, lays a whole different world that would eventually suck him in. Inspired by True Events.
