

Problems Of Indian Philosophy: (Facets Of Recent Indian Philosophy), Vol III

Filesize: 3.75 MB

Reviews

This publication will never be effortless to get started on reading through but very fun to read. It is actually loaded with knowledge and wisdom You will not truly feel monotony at anytime of the time (that's what catalogues are for about in the event you check with me).

(Marlin Bergstrom)

PROBLEMS OF INDIAN PHILOSOPHY: (FACETS OF RECENT INDIAN PHILOSOPHY), VOL III

Indian Council of Philosophical Research, New Delhi, 1996. Hard back. Book Condition: New. First. 23 cms. The series entitled Facets of Recent Indian Philosophy is a collection of addresses delivered by eminent philosophers as General Presidents in the annual sessions of the Indian Philosophical Congress. The need to collect them was felt by many. Most of them could be obtained. Excluding a few, they have been arranged thematically in three volumes containing seven addresses each: Volume 1: The Metaphysics of the Spirit; Volume 2: Indian Philosophy and History; Volume 3: Problems of Indian Philosophy. The addresses included in Volume 3 deal with some of the major and perennial problems of philosophy in particular. Thus, problems of ego, fear, sorrow, violence, peace, freedom, time and the like, have received focal attention. Some of the addresses discuss temporal and social issues, such as unity in diversity, dogmatism, ecology and the malady of the age. Viewed together, they evince a philosopher's concern with eternal, as well as immediate, problems and their eagerness to solve them by making sincere and effective efforts. These volumes will undoubtedly prove to be very useful to researches and students of contemporary Indian philosophy as they give a good idea of the direction in which twentieth-century Indian philosophy has been moving since the mid-thirties.
