John Pope, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Are you suffering with chronic migraines? Is your digestive system in a constant state of upheaval, including constipation, diarrhea, and stomach upset? Do you constantly feel lethargic and have you lost the energy that you may have once had? Is your mind in a fog sometimes? Do you have trouble focusing and thinking? The author, John Pope, has experienced all of these symptoms as well as many more. In his case, all of these symptoms, incredibly, were attributed to one insidious little protein called gluten. Join the author on a personal journey of discovery. Learn the circumstances that forced him to self-diagnose his own conditions, and how, through serendipity, he was able to finally understand exactly what was happening to his body. Gluten is a protein that may be causing the problematic, persistent symptoms that many people experience daily. These symptoms can go undiagnosed, or misdiagnosed, and they can leave you feeling like you will have to suffer with these symptoms forever. Follow the journey, and discover how to potentially break the cycle of lethargy, headaches, and digestive issues. Take control of your health and start feeling better today.
