Idioms and Idiomatic Phrases: Correlatives and Collocations (Hardback)

By A. N. C. Odu, Jude K Odu

Decent Hill, United States, 2012. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Idioms are a very important aspect of the English Language. Idioms can be formed in many ways. For example, the word man has been used to form many idioms. The parts of the body have been used to form numerous idioms. The names of various animals and various objects have also been used to form idioms. Events and stories from theology, history, geography, science, mythology, legend, romance, economics, linguistics, medicine, law, politics, current events, sports, mathematics, biology, philosophy, and other subjects have been used in order to create this interesting branch of English. Not every item in this book is an idiom. Collocations, common sayings, proverbs, and interesting expressions have all been included in this book. The aim is to help the student and English learner in every way possible to use English in an impressive and colorful manner. A section dealing with correlatives has been added to help readers better understand the formation of idioms.

Reviews

It in one of the best book. Better then never, though i am quite late in start reading this one. You wont feel monotony at at any moment of the time (that's what catalogues are for regarding in the event you check with me).
