Messages of Empowerment Productions, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The 40 achievement principles discussed in It s Time for the Motivator are aimed to challenge you to soul search and connect intimately with your passions. It is anticipated that you will confront seemingly impractical, uncomfortable, radical choices that will change your life as you reinvent yourself to live the life you desire. For some, it may mean finally completing the college degree put on hold. For others, it may mean making the decision to start a business. While for some, it may mean walking away from unhealthy relationships. The 40 achievement principles have also been attributed to guiding people away from a life scripted for them to living a life uniquely designed by them. Sadly, achievement in our society has become synonymous with the pride of climbing the corporate ladder, earning lots of money, and living a life of luxury. From my perspective, you can have all of the above, yet still feel inadequate. The 40 achievement principles promote living a life you are passionate about, not necessarily one that will make you wealthy. In my readings and examination of highly successful people, I discovered many do not consider themselves as successful. In their minds they were either unhappy or felt they had missed the mark in living at full capacity. Paradoxically, these individuals have many external markers and material possessions symbolizing success, yet they view themselves as underachieving largely because there is a lack of joy. In essence, they are not living a life of purpose and passion. What I concluded from their lives, as well as my own, is that achievement is about being happy from deep within. If achievement is defined as steps on a ladder,...
