A new, more comprehensive approach to long-term family wealth management More Than Money provides a high-level, integrated approach to preserving both financial resources and family harmony. Research has shown a failure rate of 70 percent in long-term multigenerational wealth management, and contrary to popular assumption, only five percent of that failure is due to bad investment, poor tax planning, or inadequate performance by legal and financial advisors. The number-one reason family wealth management fails is the family itself; poor communication, lack of trust, divergent visions, and a failure to prepare succeeding generations will tear down the resources the family has worked so hard to build. Traditional wealth management cannot fix this. Instead, this book offers a fresh approach that integrates strategic and tactical wealth management to align the family's assets with the family members. With helpful tools and advice drawn from a real-world understanding of family complexities, you'll improve your ability to preserve your family's resources over multiple generations....
