Smooth Passage Books, United States, 2016. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.On the ocean, some voyages proceed smoothly, and some go weirdly south. It's the weirder ones, selected from the many passages made by the author over sixteen years as an offshore freelance delivery captain, that are collected here. None are full-scale disasters---but minor calamities are more than exciting enough on a small boat, whose mechanical systems often seem to be doing their best to disintegrate, on which relations among the crew are liable to spiral into weirdness and that cries out for psychiatric help, and where you're vulnerably exposed to belligerent weather. The news isn't all bad, though---everyone survives!.
