

Role of Special Operations Forces in Counter-Narcotic Operations (Paperback)

By Mark A Haselton

Biblioscholar, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This thesis discusses the suitability of using Special operations Forces to supplement present interdiction operations in the Andean Ridge. The study begins with a background and description of the present problem of cocaine in the United States. It describes the legislative reforms which have been introduced to increase the military's role in enforcement. It describes the current legal restraints against the use of the military in assisting law enforcement agencies both in the continental US and in foreign countries. The thesis includes a description of activities conducted at the federal level to revise the Posse Comitatus act and the impact of significant revisions. The study continues with a description of cocaine trafficking in the Andean Ridge. The thesis explains some of the societal and economic problems associated with a full scale war on drugs. These problems are described in terms of the violation of ancient customs and rituals as well as the severe economic impact of dismantling the current trafficking organization on the host countries populations. The thesis also includes a description of Army Special operations Forces and their unique organization and...

Reviews

Merely no phrases to spell out. I actually have read through and i am certain that i will gonna study once again again later on. You wont truly feel monotony at at any time of your time (that's what catalogues are for about should you check with me).

-- **Jaiden Konopelski**

The ebook is fantastic and great. It really is basic but unexpected situations within the fifty percent in the book. Its been written in an exceptionally basic way in fact it is only after i finished reading through this ebook by which actually modified me, modify the way in my opinion.

-- **Ms. Donna Parker MD**
