THE LIFE OF ABRAHAM LINCOLN: FROM HIS BIRTH TO HIS INAUGURATION AS PRESIDENT

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.IN the following pages I have endeavored to give the life of Abraham Lincoln, from his birth to his inauguration as President of the United States. The reader will judge the character of the performance by the work itself: for that reason I shall spare him the perusal of much prefatory explanation. At the time of Mr. Lincoln s death, I determined to write his history, as I had in my possession much valuable material for such a purpose. I did not then imagine that any person could have better or more extensive materials than I possessed. I soon learned, however, that Mr. William H. Herndon of Springfield, Ill., was similarly engaged. There could be no rivalry between us; for the supreme object of both was to make the real history and character of Mr. Lincoln as well known to the public as they were to us. He deplored, as I did, the many publications pretending to be biographies which came teeming from the press, so long as the public interest about Mr. Lincoln excited the hope of gain. Out of the mass of works which appeared, of one only-Dr. Holland s-is it possible to speak with any degree of respect.
