THE MAN ON THE MOUNTAIN TOP: (DYSLEXIA-SMART) (PAPERBACK)

Daylo Books, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Dyslexia-Smart: tailored for dyslexic readers but can be read by anyone. The story of Noah s Ark is well known - in fact, it turns out that variations of the tale are told all over the world. The author poses the question: is it possible that the great flood really happened? In seeking an answer the reader is taken around the world, is introduced to obscure ancient languages, meets strange marine creatures, and encounters religion, folklore, archaeology and science. This is a challenging read, but a very rewarding one, if taken at a steady pace. There is much here to enjoy and to wonder at.
