Casemate Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. America's World War II is most often told through the stories of its great battles, when an entire generation of our young men was suddenly thrust across the oceans to represent the New World in deadly combat against the great powers of the Old. On sea, in the air, and on land our boys fought against totalitarian powers that threatened to overturn the American ideal of liberty for every individual, even civilization itself. But while often forgotten, America's women were there too. On the homefront they were more than willing to share in the hardships of wartime, and in countless cases they fairly lived and breathed with support for our troops overseas. Whether working in factories or taking care of families, rationing or volunteering, their unflagging support contributed more to our victories than has ever been told. Young people have been falling in love since time began, but romance during a global conflagration brought a unique set of challenges. The uncertainty of the time led to an abundance of couples marrying quickly, after brief courtships. Others grew closer through intermittent correspondence, where the soldier was invariably censored by officers, yet true longing from either side invariably came through. It was the worst time at all to try to have a relationship; yet amazingly, thousands of couples created lifelong bonds. From blind dates to whirlwind romances to long separations, War Bonds highlights stories of couples who met or married during or shortly after WWII. Underscoring these tales are the principles of maintaining lasting love in the face of tumultuous times, as well as the daily challenges of building a life together. When the soldiers finally came home (and many of them did not) the next...
