Reviews

The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

Alfred Music, 2010. Sheet music. Condition: New. Language: English . Brand New Book. This jaunty theme from the hit movie Sherlock Holmes is set in traditional five-finger style, with the melody split between the hands. For performance ease, student parts have no key signatures, dotted quarter notes, triplets, or 16th notes. Optional duet accompaniments are provided for a fuller, richer musical experience.
