The Grimoire of Santa Muerte is an introductory manual for devotees of Most Holy Death, the powerful folk saint of Mexico who has drawn the wrath of both the church and state. Santa Muerte has millions of devotees and the numbers are growing all over the world! To those devoted to her, she is their friend, a spiritual mother and the source of unconditional love and protection from whom all of the necessities of life flow. She is an advocate, a healer and the performer of miracles. Santa Muerte is the patron saint of those who have confronted death and lived and those who must confront deadly situations every day. She is a spirit of second chances who avenges those who are devoted to her and punishes evil-doers. She is a godmother who guides those under her care and arranges things in much the way a benevolent and powerful living benefactor might. This book shows you how to connect with Santa Muerte and includes information about how to construct an altar for her, how to consecrate items, how to pray the Rosary of Santa Muerte and provides prayers, spells and rituals for a variety of purposes.
