Action packed from the first page, Illuminati and New World Order expert Bo Bently uses a fictional character, ex-Marine Bret Hazen, to uncover real events at our doorstep according to the Illuminatis own timetable. Underground experimental genetic mutation labs using abducted children, reverse-engineered flying discs and a phony alien attack to herald in the New World Order, a new star to be illuminated in the sky to deceive all mankind and the exact name of the Anti-Christ this star will announce!
