Every parent would do anything to keep their children away from all harms and injuries. You might try to be like a protective shield for your child all the time, but sometimes it becomes impossible for you to guard your kids against the odds. Your little champions cannot afford to stay in one place. Children are naturally intrigued by every object they come across. It's their intrinsic ability to explore everything. The curiosity that dwells inside them makes them kind of restless (we've all been kids so it's understandable). No matter how many times you forbid your kids from doing dangerous activities or touching harmful things, they simply won't stop doing it. You can't keep an...
