Though, there are risks and side effects with herbal antibiotics and antivirals as well. However, it has much less side effects than modern medicine. Herbal antibiotics and antivirals will often help with ailments and virals, even where modern medicine can't. They've been used long before recorded history, but not in their supplement form. The raw form has been used as herbal medicine for thousands of years, and it predates modern medicine. This means that herbal antibiotics and antivirals have been tried and proven in their own ways. Though, more scientific research on these herbal remedies are still being done, and you need to take it on an herb by herb basis. 7 Reasons to Buy This Book 1.
