INTRICACIES OF MANHOOD (PAPERBACK)

AUTHORHOUSE, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.My ultimate goal when creating Intricacies of Manhood, was to try and help preserve the family structure, by offering some insight on some of the most important variables necessary to maintain relationships. There are so many single parent families now a days that it is almost frightening. The family structure has diminished to a dream, in comparison to what was once an entity. Many single mothers, are doing a good job raising children, but they can only offer certain elements of the family structure. It is priceless for a child to be able witness the interaction between his mother and father daily around the house. The way a man respects his woman and vise versa. Or, even when respect isn t present in the household, it can be as a guide to what is necessary to show respect. There are many single mothers today that are raising there young boys graciously and stern. Showing all that is needed to make it in society, but they have to learn about being a man using bits and pieces of the men that come in and out of their lives, from experiences in their lives, or mentors whom they see on a regular basis. The trouble with that is, they spend most of their time at home with their mom. Now its great to want to be like your mom, because she is hard working, respectable and strong, but its a whole other thing to want to be your mom! Society, as a whole, here in America, is a beautiful place. Full of all of our hopes and dreams, full of are wants and desires and they are all but just a finger tip away from...
