Kuperard. Paperback. Book Condition: new. BRAND NEW, Thailand - Culture Smart!: The Essential Guide to Customs & Culture, Roger Jones, For many outsiders Thailand still conjures up images of the East at its most mysterious and enchanting a view largely formed by Hollywood films like "The King and I." Today it is a representative democracy with a populist female prime minister, and is ranked among the tiger economies of Southeast Asia. It is a manufacturing powerhouse, the world's largest rice exporter, and a tourist paradise that welcomes 22 million visitors a year to its beach resorts and its vibrant capital, Bangkok. Thais put a great deal of effort into social skills in order to maintain social harmony, and one of their most potent weapons is the smile that puts people at ease and helps to defuse a difficult situation. This new, updated edition of "Culture Smart! Thailand" describes how the Thai people view the world and themselves. It examines the impact of religious beliefs and history on their lives, as well as the continuing importance of the monarchy. It looks at recent social and political developments, including the current tensions in the south. Above all, it helps visitors to become more culturally aware and so better...
