When a dust storm engulfs her Colorado town and pink snow blankets the streets, a heartbreaking decision faces Ruby Cole, a girl who counts birds: She must abandon her baby or give in to her father, whom she nicknames Lord God, and marry a man more than twice her age who already has two wives. She chooses to run, which sets in motion an interlocking series of actions and reactions, upending the lives of an equestrian police officer, pawnshop ruffraff, a disabled war vet, Nuisance Animal destroyers, and a grieving ornithologist -- a field biologist studies the decline of bird populations. All the while, a growing criminal enterprise moves from cattle rustling to kidnapping to hijacking fuel tankers and murder as events spin out of control.
