Identifying and solving these problems has the potential to dramatically increase sales and decrease costs. Outside In will teach you how to master the six disciplines of customer experience: Strategy, Customer Understanding, Design, Measurement, Governance, and Culture. You ll see how Holiday Inn s customer experience strategy led to a complete redesign of its lobbies and restaurants and how American Express reinvented its service culture, earning loyalty by providing a better experience. You ll discover how Boeing redesigned the way it delivers information to match the needs of distinct customer types. And you ll learn how Barclaycard U.S. assigns every major...
