Elijah List Publications, 2017. Paperback. Condition: New. Language: English . Brand New Book. One reason that America borders on the brink of economic disaster and constant violent upheaval is we have turned blind eyes and deaf ears to the plight of our brothers and sisters. Like Cain who killed his brother Abel, we have despised good and have turned away from caring about what happens to others. We must humble ourselves as Nehemiah did: When I heard these things, I sat down and wept. For some days I mourned and fasted and prayed before the God of heaven. (Nehemiah 1:4 NIV). Amazingly, in 2015, there emerged an unlikely presidential candidate who wanted to make America great again. He spoke of building a wall around America s borders. The people became fearful; the naysayers furious. Yet the talk of America s wall continued.Finally, 21st century America has taken notice that something more is required if there is hope for America.Yes, there s hope, and there is still time to return to God and rebuild God s wall of protection around our nation. If we sincerely desire to rebuild, there is much to be learned from the lessons in the books of Esther, Ezra and Nehemiah.It s the season for the hidden prophets to speak out!.
