Brand New Book ***** Print on Demand *****.Young Mike felt fortunate and grateful for his excellent upbringing. There was one thing, however, that always bothered him all through his teens. He kept having dreams which interrupted his sleep. At times he couldn't recall things his parents and friends told him he said or did. Later, he began to accept this anomaly as possibly an inherited trait. This dilemma seemed to follow him no matter what he did or where he went. Little did he know that forces beyond his comprehension were manipulating his destiny. He had become a dangerous instrument to be used by others at their own discretion. He was being deceived and humiliated at every turn. He would later learn that his step father was the instigator and really a true devil incarnate.
