FROM GOD THROUGH ME TO YOU: REFLECTIONS ON MY LIFE (PAPERBACK)

New Frontier Publications, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is an intimate peek into the life journey of international fitness expert, motivational speaker and co-owner of Step 1 Dance and Fitness Studio in Sacramento, California, Pepper Von. Pepper reveals the collage of his life--his backstory, his life as a multi talented performer, producer, musician, choreographer, aerobics champion, master trainer for professional fitness athletes and dancers, the creator of Fierce Funk--a highly charged combination of fitness styles--a community activist, father, and spiritual seeker. Pepper is one of the most sought-after speakers today, whether in the sports, entertainment or in the corporate world, as he presents his empowering topics with humor through Pepperisms and fables. We are not given a good life or a bad life. We are given life and it's up to us to make an effective life for ourselves and for the benefit of others. In the final analysis life is not about finding ourselves. Life is about creating ourselves. Like everyone else my life has evolved. In order to understand the person I am today, a certain amount of backstory of my early life, is necessary. However, what is more important is how my experiences have played out in my life so that I may share them with the reader, and through this sharing support his or her own growth.
