By Julie Hamilton

Blue Angel Gallery, Australia, 2008. Paperback. Book Condition: New. 236 x 147 mm. Language: English . Brand New Book. The world is changing. Children, more than ever before, are highly sensitive to subtle energies through which they are intuitively and naturally connected to an infinite source of inner wisdom and creativity. Our children are the pioneers of a new way of living. They have a vastly different perception and experience of the world around them. They see a world full of possibility and endless potential. GENERATION INTUITIVE is upon us and it demands a whole new paradigm of parenting. Now, in this straightforward and down-to-earth guide to nurturing and developing your child's natural intuitive gifts. Julie Hamilton explores the significance of intuition in the modern age, highlighting it as one of the most powerful tools for our children to live empowered and successful lives. GENERATION INTUITIVE looks at all the different intuitive super-senses available to our kids, exploring each one individually and providing parents with insights into how they work, and how to nurture and manage them best. Offering practical tools and advice, GENERATION INTUITIVE also features a range of entertaining visualisations, games and exercises to help children tap into their intuition and...

Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
