Something For Daddy (Paperback)

By Ted Dewan

HarperCollins Publishers, United Kingdom, 2014. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. An exciting new relaunch of Ted Dewan's Bing books - resized and beautifully produced for the next generation of toddlers - paving the way for Bing's TV debut in 2014. Ted Dewan has created a series that focuses on the dynamic between toddler and parent, and that speaks to them both equally, about life as a toddler and life with a toddler. With short, repetitive texts, bold, bright artwork and appealing characters, Bing offers both parent and child an enjoyable reading experience and a simple, reassuring guiding principle - that, whatever happens, it's just a Bing thing, a normal occurrence, and nothing to get upset about. Bing is making something for Daddy. He loves his daddy as much as he loves making shiny, feathery, sparkly things. But Bing will have to be very careful with that big bottle of goo.
