Pickwick Publications, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Disciples at Table! The Christian Church (Disciples of Christ) is about to enter its third century of worship, evangelism and Christian worship. This book is a snapshot of their Table practice: its origins, forms, prayers, and ecumenical development. Single-minded pioneers and advocates of Eucharistic Table fellowship each Sunday, the Disciples forged a unique experience of worship within the restorationist paradigm. What did this worship look like? A free tradition, explicitly non-liturgical, these Christian communities were open to the directives of the Scriptures and the inspiration of the Spirit. There were no official texts. By promoting a free style of worship, the Disciples of Christ have appealed to many people of faith who struggle to fit their beliefs into a structured liturgy. Yet even freedoms tend to cohere over time. This book will enlighten those seeking to know about trends in worship services that balance tradition and ecumenism with creativity and sincerity. Moore makes a solid contribution to the history and future of Christian prayer. --Paul Turner, Pastor, St. Anthony Catholic Church, Former President, North American Academy of Liturgy In the early days of the Stone-Campbell movement, worship was theologically grounded. Those theological foundations seemed to have gotten lost in practice through succeeding generations....
