Little, Brown Book Group, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Charming, intelligent, fast-moving, beautifully atmospheric Genevieve Cogman, author of The Invisible Library I raced through this exquisite debut in three days and adored it Fantasy Book Review In the Raverran Empire, magic is scarce and those born with power are strictly controlled - taken as children and conscripted into the Falcon Army. Zaira has lived her life on the streets to avoid this fate, hiding her mage-mark and thieving to survive. But hers is a rare and dangerous magic, one that could threaten the entire empire. Lady Amalia Cornaro was never meant to be a Falconer. Heiress and scholar, she was born into a treacherous world of political machinations. But fate has bound the heir and the mage. And as war looms on the horizon, a single spark could turn their city into a pyre. Set in a rich world of political intrigue and dangerous magic, The Tethered Mage is a spellbinding debut from a major new talent. Absolutely recommended and on my shortlist for favorite books so far in 2017 Book Smugglers A brilliant novel The Eloquent Page Fantastically readable, incredibly addictive and intelligently plotted . . . I loved it Liz Loves Books If you like fantasy, you ll love this book The Tattooed Book Geek.
