

THOUGHTS AND COMMENTARY

Xlibris Corporation. Paperback. Condition: New. 386 pages. Dimensions: 9.0in. x 6.0in. x 0.9in. This book consists of a series of essays covering a wide range of topics and viewpoints. Many of the topics cover contemporary issues, some are more universal and there are two sections that cover eclectic selections entitled Open Commentary and Inquiries About Common Assumptions. These essays are designed to stimulate your contemplative urges and as essays, can be read and reread in the leisure hours when contemplation about an issue seems appropriate. These essays were written over several years time and represent thoughts captured and generated about current events, popular and unpopular notions, seemingly unsolvable dilemmas, major news, mysteries and methods. This book was not written as a something for everyone tome, but a multitude of topics that need more analysis and reflection than is provided by the popular opinions viewed in the media. This book usually offers a different take on the common opinions voiced in editorials, news analysis and platitudes. It is the authors hope that there are readers looking for insights that reflect genuine real world solutions, techniques and direction. This is the kind of writing I wanted to read and found I had to produce it to see it in print. The enjoyment I feel is what I wish to impart to the reader. To whomever finds that enjoyment, I dedicate this book. For additional essays and topics please visit [http: www. Americanchronicle. com](http://www.Americanchronicle.com) and search under my name.
