

Half a World Away: Half a World Away: Jungle Guides, African Tribes and a Donkey Called Angus (Paperback)

By Alistair McGuinness

Bongo Books, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It s not every day that you get chased by a lion. But strange things happen when you lose your job. Instead of returning to the rat race, Alistair convinced his wife, Francine, that it was time to travel the world. His mother-in-law was not so impressed. She wanted Grandchildren, not postcards from faraway places. But they were in their late thirties and sensed it was now or never to take the trip of a lifetime. During their epic adventure they camped in the wilds of Africa, touched the snows of Kilimanjaro and volunteered in the jungles of South America. Along the way they met amazing characters, survived an underground blast in a Bolivian mine and hired a Peruvian donkey called Angus. A year later, they moved to Australia in search of a new life. As for losing your job and starting afresh in a new country. If you can outrun a lion, anything is possible!.
