Radiant Health Institute, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This motivating wellness anthology is compiled by and co-authored by Dez Stephens, founder of Radiant Health Institute, a social enterprise of holistic educators and practitioners dedicated to enhancing lives through special events, meaningful publishing and holistic coaching. Dez is a certified life coach, master trainer and marketing strategist. Does wellness matter to you? What does wellness mean to you? Have you thought about the difference between emotional, mental, spiritual, environmental and physical wellness? Some of us go through life not focusing on what really matters. Sometimes, that's because we're not in touch with our authentic selves and therefore not living the lives we're designed to live. This anthology is a collection of powerful essays from expert Holistic Coaches trained by Radiant Health Institute. These coaches each write about something that matters to them such as self-recovery, passion, music, stress, believing in yourself, gardening, consciousness, love, empathy, pain and positivity. These chapters may inspire you to figure out what matters to you.
