

Foundations for Life: A Guide for the Youth

By Arnold Boateng

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.It is important to be in school. It is also important to learn and pass all your examinations. Learning and passing your mathematics, core science and English examinations are not enough. You need to acquire and practice virtues such as respect, hardworking, humility and among others. If you desire to be successful in life, you need these values to give you a strong foundation for success in life. Social media has also become an important part of your life. This book gives you guidelines for making the most of social media in a manner that would not jeopardise your education. This book (FOUNDATIONS FOR LIFE) also gives critical perspectives on hygiene for both males and females to boost your confidence and drive. Parents are critical in the life of every young person. This book offers insights on dealing with parents in a manner that would help every young person to learn from parents. Some of you believe your parents belong to the stone age whereas you are high-tech. Understand that, parents have so much to teach you. One...
