Brand New Book ***** Print on Demand *****.My Mom Loves Me! is a children s picture book with the message of love throughout. In My Mom Loves Me!, children experience the various ways a mother shows love to her young. Readers will be able to identify and compare similarities between animal and human mothers. They ll read about a tandem bike ride through a nature trail, a fresh garden salad made with greens from Mama s backyard, and a sweet whale lullaby song. When it comes to caring for and rearing her young, a mother s love is the best! I have written this book from my experiences growing up in a village in Kenya. As a gifted endorsed and National Board Certified Teacher, I understand the benefits of children learning how to read in their early years. The message of love is easy for young children to understand. Through text and colorful illustrations, emerging readers will be able to form connections between animal and human mothers and the universal love that they share and show to their children. Share the gift of a mother s love with your child or grandchild in My Mom Loves Me!.
