Life Is by Design, United States, 2016. Paperback. Condition: New. Patrick Sipperly (illustrator). Language: English . Brand New Book ***** Print on Demand *****.Traumatic Brain Injury is rampant, and most of the world doesn't know it! The U.S. Centers for Disease Control and Prevention's most recent report on brain injuries sustained each year in the United States peaked at an alarming number: 1.7 million. Oh! The Journey was written to share the path of one woman and her family and loved ones as they looked for strategies to improve brain function and quality of life. Her memoir reveals many after effects of traumatic brain injury others may not have yet discovered in the quest to cope with the special challenges of TBI. Bobbie Yeates was a woman in the highpoint of her life when she suffered a traumatic brain injury (TBI) in a motorcycle accident in 2003. Oh! The Journey is the narrative of the struggle to regain her life. It chronicles her ordeal with what appeared on the outside as a remarkable recovery, and along the path, her courage to embrace an invisible disability and find a way to fit into the world with a rewired brain. Yeates' timely book offers profound insights into what survivors and their families face, in a story insightful, inspiring, and filled with hope. TBI sometimes takes people to a dark side of brain damage; in a complicated aftermath of a tragic injury that can last a lifetime, those who suffer try to make sense of the new world in which they come to exist. The brain is mysterious and although as humans, we tend to want to take control of a situation, the brain has to figure out how to heal itself and reorganize its physiology to make that happen. Brain...
