

The Adlerian Team Leader

By Or Berkovitch

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Adlerian Team Leader is a three part book that provides frameworks to support the different elements of a Team Leader's job: managing the people, the development process, and professional interactions. Many times, a team leader is thrown into the new job without guidance. This book will guide you to either becoming a great team leader, or instructing your team leaders on how to motivate and maintain a productive team while delivering great products with high professional performance. Leading a software team is a HUGE challenge because the job literally clashes two very different human intelligences: the emotional quotient and the Intellectual-analytical quotient. A Software Team Leader is a juxtaposition of responsibilities. He or she is a leader of spirit, while equally a leader of practice. These two very different skill sets need to be put into play in order to do this job successfully. Team leaders are commonly former developers. However, the jump from managing lines of code to managing real human beings is sharp. A good team leader needs to know how to lead the...

Reviews

This published book is wonderful. It is really simplified but unexpected situations within the fifty percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
