FILIPINOS ARE RICH (PAPERBACK)

Xulon Press, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Filipinos Are Rich is a book that matches solutions to problems. Although it seems fashionable to call the majority of our people poor, masa or bakya crowd, I personally detest this name-calling because they are none of these. Most may be financially challenged and broke but they are not poor. Being broke is temporary but being poor is a sin and a state of mind. As they say, this, too, shall pass. We will change our life when we change the way we think. As a man thinks in his heart, so is he. The attitude of being a giver and to always expect the best will catapult us to untold success and prosperity. Cris Enriquez, M.D. is an internationally known anti-aging and longevity expert and the only medical doctor in the world who trained and practiced in four different medical specialties. He is a radio and TV personality with programs that teach on success, prosperity and biblical health. He is a best-selling author and has written several books including The Healthy Life and We Don't Die, We Kill Ourselves. He is a seven-time recipient of the American Medical Association's Recognition Awards. He is a distinguished fellow of the American Academy of Cardiology, a recipient of the Leadership Award for Health by the International Third World Leaders Association, Meritorious Award for Outstanding Contribution in Biblical Health and Prosperity from Cambridge, Great Britain, International Peace Prize Award, Physician of the Year Award, Eisenhower Committee Award, Businessman of the Year Award, Leading Health Professionals of the World, and listed on the Who's Who of Medical Specialties, Who's Who Health and Medicine, Who's Who Florida and of the...
