But for others, leaders are Iconic or even Legendary, even if only in their industry or company. But words like legendary or iconic don't help you understand the WHY or the HOW of such leaders. Fearless does. High-powered executive coaches Cathy Greenberg and TC North have identified the remarkable principles that make Fearless Leaders. A Fearless Leader - -Acts with inspiring courage, -Reacts with resilience, -Thinks with mindfulness, and -Excels with unrelenting fire. In their powerful book, Fearless Leaders: Sharpen Your Focus, Greenberg and North explain these principles to analyze some of the greatest leaders of our time and throughout history. They also provide readers with essential exercises, tools, and techniques for learning, building, and strengthening these principles in themselves. Readers who use these tools and techniques will learn how to: -Master fear and gain the courage to fail in order to succeed; -Be their best when it counts the most; -Lead with reliance and passion in every aspect of life. Fearless Leaders is a must-read for leaders who want to move forward fearlessly in their own lives and inspire courageous work in others.
