It s Just Nerves: Notes on a Disability (Paperback)

By Kelly Davio

Squares Rebels, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. With equal parts wit and empathy, lived experience and cultural criticism, Kelly Davio s It s Just Nerves: Notes on a Disability explores what it means to live with an illness in our contemporary culture, whether at home or abroad. When the body attacks itself, the crisis is not just of bones and blood, but of beauty and boundaries. Strange men have had their hands on me for days, Kelly Davio observes during a plasma treatment. Her skillful portrait of myasthenia gravis does not exist in a vacuum. It s Just Nerves is in keen dialogue with the world around us--critiquing modern health care, pub seating etiquette, alarming election outcomes, smarmy meditation culture, and caricatures of illness in ads and on screen. Oxygen is delicious, Davio reminds us, before the fire breaks out. A brisk, funny, and at times startlingly poetic memoir. --Sandra Beasley, author of Don t Kill the Birthday Girl: Tales from an Allergic Life Kelly Davio s It s Just Nerves feels like the book I ve been waiting for all my life. If you want to know what it...

Reviews

This type of publication is every thing and taught me to searching ahead and more. It can be rally fascinating throgh reading through period of time. You can expect to like how the blogger write this pdf.
