Jaypee Brothers Medical Publishers, India, 2017. Paperback. Condition: New. Language: English . Brand New Book. This book provides practical revision for trainees in orthopaedics preparing for OSCE examinations. Beginning with an explanation of the basics of OSCE exams, the following sections present more than 400 clinical cases detailing clinical history, diagnostic investigations, operative photographs and more. Answers are provided in two forms - from the perspective of a previous candidate, and the structure expected by examiners. Cases are presented in exam format, with different problems and different types of questions combined together, to help students in their preparation. The text is further enhanced by nearly 500 clinical photographs and illustrations.
