Before you take any decision, consider its effect on the next seven generations. - Hopi proverb From the Trail of Tears to Wounded Knee and Little Bighorn, the narrative of American history is incomplete without the inclusion of the Native Americans that lived on the continent before European settlers arrived in the 16th and 17th centuries. Since the first contact between natives and settlers, tribes like the Sioux, Cherokee, and Navajo have both fascinated and perplexed outsiders with their history, language, and culture. In Charles River Editors Native American Tribes series, readers can get caught up to speed on the history and culture of North America s most famous native tribes in the time it takes to finish a commute, while learning interesting facts long forgotten or never known. When European settlers and later American settlers came into contact with Native American tribes on the continent, they were frequently unable to differentiate between the subcultures within individual tribes, leading to all kinds of misunderstandings. As a result, one of the most misunderstood tribes is the Hopi, who were just one of the tribes that the Spanish categorized as Pueblo. Thus, while most Americans have heard of the Pueblo and Navajo, many remain unfamiliar with distinctions within the tribes. The Pueblo fascinated those who came across their settlements, especially those located in desert regions and the sides of cliffs that involved the use of adobe mud, stone, carving homes out of cliffs. One such settlement, Oraibi, was created by the Hopi around 1100 A.D. and remains one of the oldest...
