SEEING IN THE DARK: UNIVERSITY SERMONS (PAPERBACK)

Darton, Longman Todd Ltd, United Kingdom, 2005. Paperback. Condition: New. Language: N/A. Brand New Book. Nicholas Lash has been one of the most original and influential theologians in Europe and the US over the past forty years. Seeing in the Dark is the first collection of Lash's sermons to be published. Aimed at a different audience to his academic work, they reveal a more relaxed and informal side to his work. Consistently lively and thought-provoking, often humorous, they range widely from literature and politics to the philosophy of religion, from theology to meditations that take a surprising slant on familiar gospel readings.
