

The Oologist, Vol. 2 (Classic Reprint)

Filesize: 2.5 MB

Reviews

I just started off reading this article publication. This really is for all who statte there had not been a really worth looking at. You will not feel monotony at anytime of your own time (that's what catalogs are for about should you ask me).
(Prof. Jeremie Kozey)

THE OOLOGIST, VOL. 2 (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Oologist, Vol. 2 One of the Cuckoo s nests was in perfect nosegay of blossoms and flowering grasses with which this bird had adorned it. Singularly enough, almost over the Cuckoo s bower, near the top of a white birch sapling was a nest of the Rose-breasted Grosbeak containing three eggs. The Marsh Hawk s nest I took up bodily from the ground and with a friend in front to hold back the brush, we got it safely outside, thence across the lots to the wagon, and it now occupies a respectable niche in my cabinet. It is a poorly constructed affair, but quite bulky and is by far the largest nest of any ground builder in this section. The Grosbeak s nest was up eighteen feet, nearly on a slender sapling which would not sustain my weight; but by holding three of the chump of white birches together I contrived to ascend. The nest of the Rosebreasted Grosbeak is small for so large a bird, and the eggs are appreciably larger than a Tanager s, which they resemble. The eggs, like those of some other types, can be seen from beneath. How often, when climbing to nests of the Heron and Pigeon families, have we seen the rose-touched pearls gleaming through the platform of twigs. Ah, those are the true jewels with which we enrich our collections! In this feathered paradise were also found breeding in security, the Maryland Yellow-throat and Summer Warbler, Ground Robin, Mourning Doves and Sparrows, which the presence of the Harriers and Cuckoos seemed in no wise to disturb. For the common types of northern birds, I repeat...
