THE SERIOUS STUDENT'S GUIDE TO WESTERN CULTURE: VOLUME 1: ANALYSIS OF AMERICAN, BRITISH, AND WORLD LITERATURE

Createspace, United States, 2015. Paperback. Book Condition: New. Student. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The Serious Student's Guide to Western Culture (c) is an extraordinary series of reference works designed for students and readers at any level who want to learn more about the basic concepts of literature and understand the cultural background that has influenced works of great literature during the past 2,000 years. The reference series is conveniently arranged in separate volumes so the student can focus on one particular area of study or purchase all three volumes at a discount to obtain comprehensive coverage of all areas. Please see separate listing for the combined set of three volumes to obtain the discount. The first three volumes focus on ideas in Western culture needed to understand literature. Volumes 4 and 5 focus on related areas of English composition and vocabulary building. These texts examine most of the important ideas in Western culture to allow the reader to develop a deeper understanding of the world's great literature. Each volume presents a clear, concise explanation of important concepts in Western culture and provides many examples from specific texts. Although these texts are designed primarily for the study of literature, they can be read as stand-alone texts for the enjoyment of learning new ideas. Volume 1 of this series presents a comprehensive overview of world literature with an emphasis on British and American authors. This volume provides essential information on the development of these major literary genres: novel, drama, poetry, and short stories. The text examines the basic elements of these genres and presents a comparison of genres. The next section examines the major themes of American and European literature from the Renaissance to contemporary times. The text includes a...
