The New Rationalism: The Development of a Constructive Realism Upon the Basis of Modern Logic and Science, and Through the Criticism of Opposed Philosophical Systems (Classic Reprint)

By Edward Gleason Spaulding

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The New Rationalism: The Development of a Constructive Realism Upon the Basis of Modern Logic and Science, and Through the Criticism of Opposed Philosophical Systems As I send this manuscript to the publishers, I am keenly aware of how far the results that it presents fall short of attaining that ideal both of method and of accomplishment which has been before me during the period of composition, and which I have explained in Chapters I. and III. Yet coincidentally with the closing of my labors I find that I am convinced more strongly than ever that, although there are many other ways, of undoubted value, in which to study philosophy, nevertheless the point of view and the method of treating problems which this book presents offer one way or mode of approach that has thus far been of much too infrequent use in philosophical investigation. For it has been my experience, especially during a number of years of teaching at Princeton University, as well as of presenting philosophical problems to the scientific workers of the...
