The Toyota Kaizen Continuum: A Practical Guide to Implementing Lean (Paperback)

By John Stewart

Taylor Francis Inc, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. Written by a recognized leader in the manufacturing industry with nearly two decades of experience working for Toyota, this book supplies a firsthand account of the realities behind implementing the Toyota Production System (TPS). The Toyota Kaizen Continuum: A Practical Guide to Implementing Lean presents authoritative insight on how to use the TPS to drive operational value and improvement across all segments of an organization. Highlighting valuable lessons learned directly from the TPS masters at the Toyota factories in Japan, John Stewart provides a time-tested approach for implementing a process of continuous improvement. Delving into his wide-ranging experience-that includes time as a team member on the assembly line and managing the vehicle assembly division for Toyota's largest European operation in the United Kingdom-he explains how to get the process started, how to get senior management excited about the possibilities, and details a process for implementing the TPS in your organization. * Written by an industry veteran named one of the Top 10 Automotive Executives by Automotive News in 2007 * Unveils the methods used within the walls of the world's premier manufacturing organization...
