Createspace. Paperback. Condition: New. This item is printed on demand. 102 pages. Dimensions: 9.0in. x 6.0in. x 0.2in.A disaster is an unexpected event that causes destruction. Disasters cause loss of life, of property, of money, and of happiness. They strike at any time and anyplace. They can take away your home and your family. Some disasters are natural, and some are caused by humans. This book will explore the different types of disasters that can happen to you and your family. It will tell you what you can do to prepare for a disaster, and how to survive during a disaster. It will explain how to secure primary needs like food, water, and shelter. It will also cover secondary needs like communication, electricity, and finances. It will cover evacuation plans and survival kits. Although one book could never contain exhaustive information on the topic of disaster survival, this quick reference will allow you to get through almost any catastrophe. Be Prepared!
