

Emdr for Depression and Anxiety (Paperback)

Filesize: 4.37 MB

Reviews

It becomes an amazing ebook that we have possibly read through. It is really simplified but surprises within the 50 % from the ebook. You can expect to like how the blogger compose this book.

EMDR FOR DEPRESSION AND ANXIETY (PAPERBACK)

[DOWNLOAD](#)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Attention: Are you or someone you love suffering from depression? Read on to find out about this startling solution! FACT: Depression is often triggered by trauma in our past that we have not properly processed, even after years of therapy and medication. It is no surprise that past trauma can have a massive impact on our lives. Even years later! The trouble is, we were never taught how to get over difficult, painful events like loss, grief, the death of a loved one, or sexual abuse. Too often, you have been told: -Get over it!- -Move on with your life!- -Live in the present!- Or, my all-time favorite: -Think positive thoughts!- (Yeah, right.) Why doesn't -positive thinking- work for us? It's because emotions from the past are still hanging around, just under the surface. The crappy things that happened to you long ago can still cause feelings such as intense sadness, despair, or anger years after the event. . and these feelings stay with you as if the event had only just happened yesterday. The past refuses to lie down and STAY in the past! So, let's play a game of -What if-. What if you could recall your abusers from the past. and finally stop being afraid? What if you could recall awful memories. and feel no pain whatsoever? What if you could stop dwelling on a bad past. and just enjoy the present? What if you could release bad habits easily and quickly. and never feel the urge to go back to them? (I did exactly that.) The way to do all of that already exists, and has been around for years. It's called Eye Movement...
