There are few things less likely than that it will ever be your lot to exercise any of the rights or privileges of landed property. It may chance, however, that even in your humble sphere, there may be those who shall look up to you for support, and be, in some wise, dependent on your will; if so, pray let this little story have its lesson in your hearts, think, that when I wrote it, I desired to inculcate the truth, that prosperity has as many duties as adversity has sorrows; that those to whom Providence has accorded many blessings are but the stewards of His bounty to the poor; and that the neglect of an obligation so sacred as this charity is a grievous wrong, and may be the origin of evils for which all your efforts to do good through life will be but a poor atonement. This item ships from La Vergne, TN. Paperback.
