

The Cosmological Eye (Paperback)

By Henry Miller

New Directions Publishing Corporation, United States, 1961. Paperback. Condition: New. Revised ed.. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. As is usual with Miller, these pieces cannot be tagged with the label of any given literary category. The unforgettable portrait of Max, the Paris drifter, and the probably-autobiographical Tailor Shop, are basically short stories, but even here the irrepressible vitality of Miller's personality keeps breaking into the narrative. And in the critical and philosophical essays, the prose poems and surrealist fantasies, the travel sketches and scenarios, Miller's passion for fiction, for telling the endless story of his extraordinary life, cannot be held down. Life, as no other modern author has lived it or can write it, bursts from these pages--the life of the mind and the body; of people, places and things; of ideas and the imagination.
